

Fix for CWAY display issues (use Internet Explorer only):

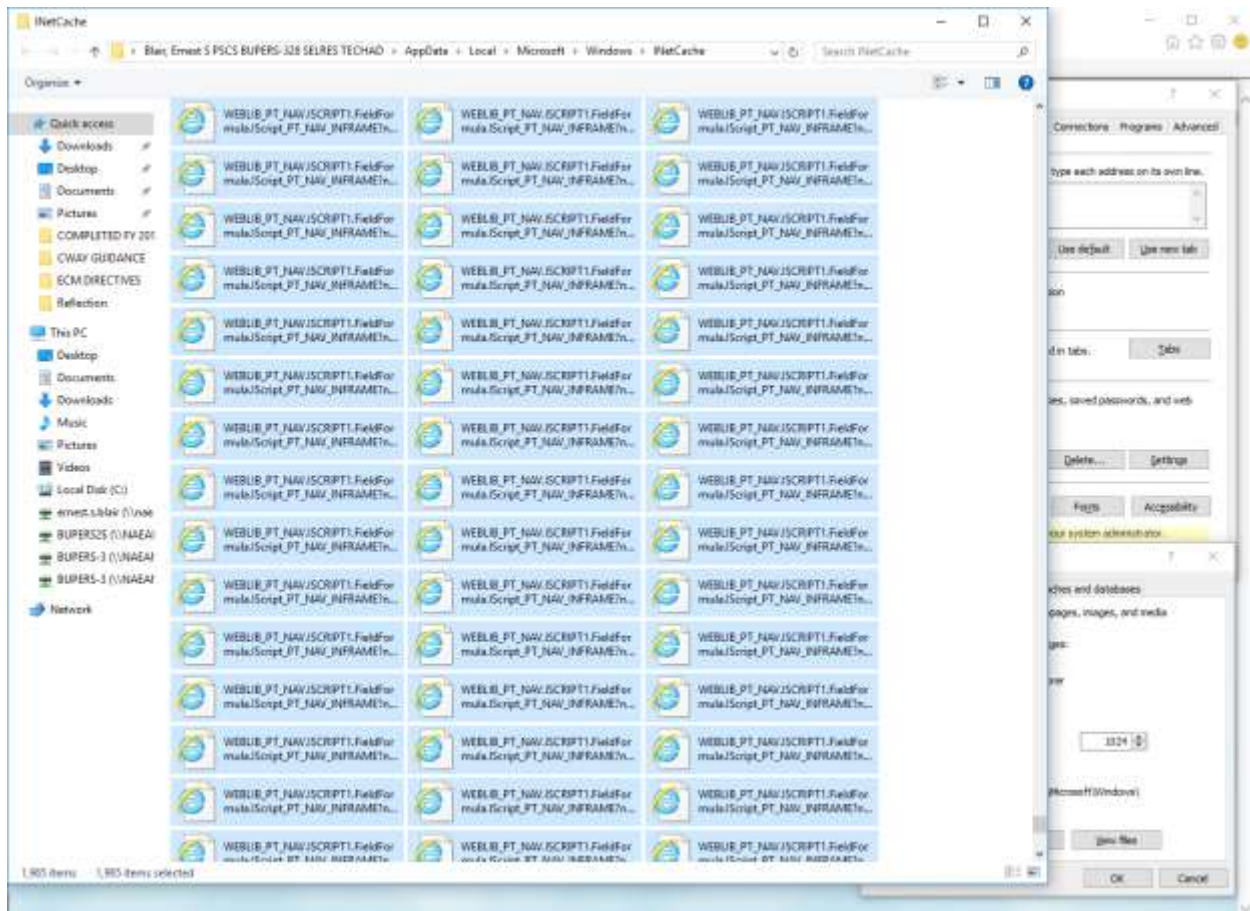

The screenshot shows the Career Waypoints website in Internet Explorer. A callout box points to the gear icon in the top right corner of the browser window, with the text: "Click on the gear and select 'Compatibility View Settings.'" Another callout box points to the "Add" button in the Compatibility View Settings dialog box, with the text: "Type 'navy.mil' and click 'Add.'" The dialog box shows "navy.mil" entered in the "Add this website:" field. Below the dialog box, the website content includes the "NAVADMIN 199/15, PACT Policy and Procedure Updates" section.

The screenshot shows the Career Waypoints website in Internet Explorer. A callout box points to the gear icon in the top right corner of the browser window, with the text: "Click on the gear and select 'Internet Options.'" Another callout box points to the "Advanced" tab in the Internet Options dialog box, with the text: "Click on the 'Advanced' tab and scroll to the bottom." A third callout box points to the "Use 15.5 3.0" checkbox, with the text: "Check or uncheck to match these settings." The dialog box shows the "Advanced" tab selected, and the "Use 15.5 3.0" checkbox is checked. Below the dialog box, the website content includes the "NAVADMIN 199/15, PACT Policy and Procedure Updates" section.

When the folder opens, highlight and delete all items listed.

Close the folder and click “OK” to close the boxes.

Exit Internet Explorer and reopen.
